

Flow Chart: Adding a New Private Provider

Private Provider

- •Registers interest with State Office or directly with VA
- Single-state providers will be directed to their State Office
- Multi-state providers will complete a national agreement with VA, with individual franchises to then liaise with their State Office

State Office

- Complete National Private Provider Agreement with Coaching Provider
- Send agreement to VA for approval

Note: All Private Providers are to be processed through VA. No direct communication between the State Office and the ASC should occur.

Volleyball Australia

- •Review completed agreement
- •If approved, VA to liaise with ASC to upload into online system

Australian Sports Commission

•Upload approved providers into online system

Volleyball Australia

• Confirm with State Office that Private Provider has been approved and updated in online system.

Private Provider

- •Now active in online system
- •Upload coaches etc.
- Await allocation of bookings from State Office
